We are proud to share with you this
highly-esteemed award!

Winning such an ultimate reward is another recognition for the Louis Royer expertise and is a tribute to our quest for the richest Cognacs.

For more than 160 years, a multitude of secrets have been giving Louis Royer's Cognacs a **refined quality** and a **very special personality**. Our brand is recognised for its unique style, combining **finesse, delicacy** and **complexity** for connoisseur's infinite pleasure.

Established in 1969, the International Wine & Spirit Competition (IWSC) was the first competition of its kind, set up to seek out, reward and promote the world's best wines, spirits and liqueurs. This year, Louis Royer Cognacs received 5 major awards (listed on left side) and was the biggest European Spirits points-scorer, crowning us the Best European Producer. With 46 years heritage, an IWSC Award is recognised internationally as a badge of quality.
